

Statutory & Regulatory Approvals

Mercury India Compliance supports manufacturers, importers, distributors and healthcare providers with key statutory and regulatory approvals, including:

- ✓ **CDSCO (Central Drugs Standard Control Organization) Approvals for Medical Devices** (import, manufacturing, wholesale and retail licenses)
- ✓ **MD-15 & MD-42 Licenses** for notified medical devices and related activities
- ✓ **Central / State Pollution Control Board Authorizations** for biomedical waste, hazardous waste and other environment-related compliances
